Dear Mr. Stirland:

We have reviewed your requests of January 24 and 29, 1985, to modify the environmental monitoring program at the Jackpile-Paguate Mine (Laguna Tribal Leases 1, 4, and 8). Your proposals are satisfactory and the monitoring plan is hereby approved.

This office will continue to review all monitoring data and we may require future changes in the plan if necessary. If you have any questions, please contact John Andrews of my staff at (505) 766-3114.

Sincerely yours,
